D.O.No.F.1-3/2008 (PRC)

25th April, 2008

Dear Sir / Madam

As you are well aware, the University Grants Commission in consultation with the Ministry of Human Resource Development, Government of India, has constituted a Pay Review Committee to review, *inter-alia*, the pay scales of University and College teachers under the Chairmanship of Prof G.K.Chadha, Member, Economic Advisory Council to the Prime Minister.

The Pay Review Committee has several terms of reference viz. to review the implementation of recommendations of the previous Pay Review Committee, examining the present structure of emoluments and service conditions of University and College teachers, working out ways and means of attracting and retaining talented persons in the teaching profession, as well as modalities for furtherance of research in the University system.

In view of the above a questionnaire has been evolved by the Pay Review Committee to elicit information about the existing academic situation in Universities and Colleges as also to obtain their views on various aspects relating to the terms of reference mentioned above. A copy of the questionnaire is enclosed herewith which may please be duly filled and returned before the close of May 2008.

Further, it hardly needs to be emphasized that answers to the questionnaire under reference would give the Committee valuable inputs on various dimensions of higher education including issues of revision of pay scales, retaining the talent in higher education as well as maintenance of standards in higher education, and so on.

As requested I look forward to receiving the questionnaire on or before 30th May, 2008. I thank you in anticipation for your kind co-operation in the matter. Should you need any clarification in the matter, please feel free to write to me.

With Regards,

Yours Sincerely,

(K.C. Pathak)
