F. No. 1-13/2007-08/(I&S)/UGC/Finance Data

Dated:

Subject: **Collection of Statistics of Financial Parameters of the University/University Level Institutions for the year 2006-2007 & 2007-2008 reg.**

Sir,

With references to the office D.O. No. F-1-13/2007-08/ (I&S/UGC/Finance Data) dated 20th January, 2009 and subsequent reminder dated 23rd November 2009, the information on the subject cited above is still awaited.

You may be aware that I&S Bureau collect and compile Statistics /information on various aspects. Financial parameters are one of the most important and sought for information. It helps us in concluding the future projections/ allocation of the state/country. These indicators are very vital in deciding the future course of action on higher education.

Partial or no response from you leads us to nowhere. We cannot use the past data neither we can interpolate or assess the current data of your university. It is a very helpless situation. Publishing of partial statistics often gives a wrong or distorted picture.

Considering the fact mentioned above it is requested that the information in the prescribed format (format enclosed) may please be sent by return of post preferably within a fortnight of receiving this communication.

Needless to say that All India Compilation is held up for want of data from your end.

Thanking you,

Yours faithfully,

(Mohammad Yameen)
Senior Statistical Officer
