NEW DELHI-110 002 (INDIA)

April, 2009

D.O. No. F. 1-2/2007(MC)

The Registrar
(All universities (including Central Universities
and Deemed Universities))

Dear Sir/Madam,

06 APR 2009

You may be aware that the conventional systems of education have not been able to keep up with the growing needs and the essential qualitative expansion of higher education system. Hence, the University Grants Commission (UGC) took an initiative in August 1984 to start Countrywide Classroom Programmes by producing high quality educational programmes and making it available to students, teacher and other viewers through the terrestrial transmission of Doordarshan using the services of INSAT Satellite. The UGC-CEC has now commenced production and dissemination of e-content of all courseware, on net and web, which can be viewed anytime anywhere in a seamless manner. With the objective to produce in-house quality educational programmes for telecast on Vyas Channel, Gyan Darshan, Doordarshan, DD Bharti and generate e-content material of various subjects, the UGC has set up 17 Media Centres in various universities and institutions in the Country and intends to enhance its capacity by way of adding few new Media Centres and also Affiliated Media Centres in the current Five Year Plan.

The UGC Guidelines for setting up of Media Centres/Affiliated Media Centres during XI Plan are available on the UGC website www.ugc.ac.in.

The University, if so desires, may submit a detailed proposal as per the prescribed format to the UGC on or before 15th May, 2009 for consideration.

With regards,

Yours sincerely
