

# **UNIVERSITY GRANTS COMMISSION**

BAHADURSAHZAFAR MARG  
NEW DELHI-11002

## **PROFORMA FOR INSPECTION REPORT FOR STATE PRIVATE UNIVERSITY**

- **Background of the institution**

The great visionary of the 20<sup>th</sup> century, Sant Attar Singh Ji Maharaj had a vision that modern scientific education alone will not serve the humanity well, until and unless it is amalgamated with Braham Vidya (spiritual Education). The graduates of this unique education system will not only be outstanding in academics, but also will have high moral values (i.e. they will have love for humanity, compassion for the weak and the underprivileged, and sense of selfless service for the community). These graduates will work towards establishing permanent peace in the world. They will act as Ambassadors of Peace wherever they live their lives.

On finding this place (now called Baru Sahib) Sant Teja Singh Ji Established The Kalgidhar Trust in 1956 to carry out the Mission of Sant Attar Singh Ji Maharaj's version. Sant Teja Singh ji also established a small place of worship at Baru Village and did "ARDAS to God Almighty Waheguru" that an institution of Higher Learning may be granted here as per vision and wishes of Sant Attar Singh Ji Maharaj.

Before leaving this world Sant Teja Singh Ji designated Shri Iqbal Singh (Baba) Retired Director of Agriculture from Himachal Pradesh and Current President of the Kalgidhar Trust to carry forward the Mission. He started Akal Academy at Baru Sahib (The prelude to Eternal University) in 1986 with 5 students, which has now grown to a formidable strength of approximately 1500 students (200 of them hail from 16 foreign countries – with 100 students from USA alone). There are students from 22 Indian states studying in this Academy.

With a vision of Universal brotherhood and World Peace through Value Based Education, the Kalgidhar Trust has established Eternal University at Baru Sahib.

- **Composition of the Expert Committee**

The University Grants Commission had constituted an expert committee as per following composition to visit the Eternal University, Baru Sahib Himachal Pradesh for the purpose of assess the fulfillment of criteria as laid down from time to time by the U.G.C.

1. Prof. N. J. Pawar  
Vice-Chancellor  
Shivaji University  
Vidyanagar, Kolhapur – 416004  
Maharashtra  
Chairman

| 7.  | Dr. (Mrs.) Archana Thakur<br>Deputy Secretary, UGC, New Delhi   | Member Secretary |

\* **Could not attend the meeting**

The committee visited the Eternal University from 17<sup>th</sup> December 2010 to 19<sup>th</sup> December 2010. Prior to the start of the meeting the member secretary briefed all the members about the purpose and essentiality of the visit.

The members of the committee were received by the Vice-Chancellor Dr. M.S. Atwal, Registrar, Dr. Davinder Singh, Deans of different schools. After a formal introduction of the expert members the Vice-Chancellor of the University made a presentation on the background of the University, activities and programmes offered by the University. This was followed by extensive discussion between the expert committee and the University authorities. The expert committee made a number of queries to which the University authorities replied satisfactorily. Thereafter, the expert committee visited all the faculties, supporting facilities like hostels, sports facilities, hospital, bank, shopping centre, canteen, post office, ATM. The members of the committee visited major parts of campus including the laboratories, computer centers, e-library, interaction with the students (inside and outside classrooms), interaction with individual faculties, board of the management and non-teaching staff of the University campus. The committee then had its internal meeting to discuss the days progress and take further steps for the preparation of the report of the inspection committee for onward submission.

- **Inspection Report**

The following inspection report has been prepared by the expert committee after carefully perusing the filled in the questioner submitted by the University and onsite verification through the visits to ascertain various infrastructural facilities on the campus and based upon the discussion with the University authority as well as expert committee members.

Sr. No.		
1	<b>Name of the University with notification No. &amp; date of State Govt.</b>	Eternal University Eternal University, Baru Sahib (H.P.) Establishment and regulation bill 2008 act no. 3 of 2009 Date 29 <sup>Th</sup> april,2008  <i>Annexure- 1</i>
2	<b>Registered office of the University</b>	Eternal University Baru Sahib, Via Rajgarh, Teh. Pachhad, Distt. Sirmour, Himachal Pradesh – 173101
3	<b>Name &amp; Headquarters of the Society Promoting Agency</b>	The Kalgidhar Trust, Baru Sahib, Via Rajgarh, Distt. Sirmour, Himachal Pradesh – 173101
4	<b>Whether the Society/ Agency are involved in promoting/running any other University Institution? If yes. Give details</b>	<b>Yes</b> The Kalgidhar Trust is running 72 Akal Academies spread over 5 states i.e. Himachal Pradesh, Punjab, Haryana, Uttar Pradesh and Rajasthan. All these academies are affiliated to Central Board of Secondary Education, New Delhi. <b>35000</b> students study in these academies. There are <b>40%</b> girls. All these academies are located in rural areas.

(2) Prof. M.P.S. Chandrawat is Working on the following Project:  
Investigation on Flax seed Components and value added formulation with reference to their clinical significance.

• **Department of Physics:**

(1) Dr. K.C. Verma is working on following research project:  
To fabricate nano Multiferroic (MF) particles used in various applications of spintronics

• **Department of Electronics and Communication Engg. :**

Mr. Parshotam Sharma and Mr. Muneer Ahmad have just been awarded Ph.D. degree by GNDU working under the supervision of Prof. I.S. Hudiara.

The following research projects are going on in the Dept. of Electronics and Communication Engg.

(1) Mr. Dileep Sharma:

- To study the rain attenuation of Microwave Signal at 10 and 20GHz and at High Altitudes.

(2) Mrs. Abhilasha Sharma:

- To measure the Dielectric Constant and loss factor of Nano Ferrites to study their suitability for manufacturing microwave components

(3) Mrs. Aditi Sharma:

- Design Consideration for Micro Strip Patch Antenna at THz frequencies.

• **Department of Public Health:**

(1) Dr. M.S. Atwal:

- Investigation leading to the study of well known existing drugs in the form of Nano Particle size.
- Active Medicinal ingredients in the Plants to be isolated, characterized and tested for their Pharmacological activities in Nano Particle Science.

(2) Harpreet Kaur:

- To study Antimicrobial Activities of Indigenous North Indian plants

• **Department of Economics:**

(1) Amandeep Waraich:

- Agricultural development in Uttar Pradesh

(2) Maninder Deep Cheema:

- Economic Mobility in Rural India, a comparative analysis of Rural Household in Bihar, Kerala, Maharashtra and Punjab.

• **Other Projects:**

**Solar Power Plant:**

The ministry of Non-Conventional and Re-newable energy Govt. of Indi has given a grant of Rs. 5.40 crore to set up a 200 kwp photo-voltaic solar power plant. The work is going on the project and it is expected that this power plant will be commissioned by April 2011.

		<p><b><u>De-addiction Centre</u></b> Dr. (Col) Rajinder Singh M.B.B.S, M.D. is helping drug addicts to give up the use of drugs by reciting Gurubani &amp; through other religious scriptures.</p> <p><b><u>Nutrition Project</u></b> A joint nutrition project is going on in collaboration with British Columbia University. A team from British Columbia University visited Eternal University for three weeks.</p> <p><b>Tinchem Enterprises Patiala</b> has given a research project to Eternal University on Synthesis of <b>High purity Metal Oxide (Nano particles/catalyst Surfaces)</b>. It has sanctioned a grant of Rs. 1 Lac. The duration of the project is two years</p> <p><b>Source of Funding: The Eternal University has provided funds for the above projects.</b></p>
24	<p><b>Future plans for starting new courses.</b></p>	<p>It is planned to start the following new courses:</p> <ol style="list-style-type: none"> <li>1. B.Tech Bio- Technology</li> <li>2. B.Tech Bio- Informatics</li> <li>3. B. Pharma</li> <li>4. B.Ed.</li> <li>5. M.Tech VLSI Design</li> <li>6. M.Tech Bio-Technology</li> <li>7. M.Sc. Nutrition and Food Technology</li> <li>8. M.Sc. The students are helped to find suitable openings for summer training and placement.</li> <li>2. There is one full time training &amp; placement officer who is helped by supporting staff.</li> <li>3. The students are encouraged to participate in the technical festivals organized by different Universities and Institutes in the country.</li> <li>4. Since the University has signed memorandum of understanding with Wayne State University U.S.A. for engineering &amp; Drexel University for nursing, the students are helped to go to these Universities for higher studies.</li> <li>5. The students are also encouraged to participate in games at national and international level and their all expenses are borne by the University.</li> <li>6. The University organizes debates and competitive events in which the students are encouraged to participate to inculcate in them the quality of leadership.</li> </ol>

		<ol style="list-style-type: none"> <li>7. Industrial visits are organized to give the students an exposure to industry.</li> <li>8. Work Study Program: In order to help financially needy students opportunity of doing part time jobs in the university i.e. in the library or laboratories is given to the students.</li> <li>9. Bright Students are given meritorious scholarships and awards.</li> <li>10. There is a finishing school for senior students where the students are given the training in communication skills and soft skill so that they can face the interviews.</li> <li>11. Teaching research assistantships: Students are given teaching/ research assistantships to improve their qualifications.</li> <li>12. Special projects fellowships: Some students are given university fellowships to work on special research projects.</li> <li>13. Well equipped undergraduate, postgraduate and research labs.</li> <li>14. Academic Collaborations: The University has collaboration with several Indian and Foreign Universities and our students can go there for industrial training and to do higher studies.</li> <li>15. There is a 230 bed charitable hospital on the university campus, which provides medical facilities to students and staff at very concessional rates.</li> <li>16. There are facilities for students to take part in extra-curricular activities and the following clubs exist on the University campus: <ul style="list-style-type: none"> <li>➤ <b>RENEWABLE ENERGY CLUB:</b> Our students participated in the Technical festival held at NIT Hamirpur from 11<sup>th</sup> to 14<sup>th</sup> March and won First prize for their model “RUN YOUR CAR ON WATER”</li> <li>➤ Our students also won Third prize in the same Technical festival for their project “SOLAR DIYA” (SOLAR LAMP).</li> <li>➤ <b>TECHNOCRATS CLUB:</b> There is a Technocrats club in the university and the students design their own electronic circuits and other gadgets. Our students participated in Technical Festival held at Baddi University and got first price in “ON THE SPOT ELECTRONIC DESIGN” and many other prizes.</li> <li>➤ <b>ROBOTICS CLUB:</b> There is a robotic club in the campus and students design their own robots with the help of faculty members.</li> <li>➤ <b>ETERNAL ENGLISH LITERARY SOCIETY:</b> The students can become members of this society and participate in Debates, Poetry Recitations and other activities of the society.</li> <li>➤ <b>ATHLETIC CLUB:</b> There is a athletic club in the university. This club organizes athletic meet in the university and teams from other universities are invited to participate.</li> </ul> </li> <li>17. The students are given financial aid to organize technical festivals.</li> <li>18. The students are also given financial aid to organize sports events.</li> <li>19. Outstanding visiting faculty from USA.</li> <li>20. Excellent placement network from MNCs.</li> <li>21. Safe and secure environment for girl’s students.</li> <li>22. Perfect natural surroundings.</li> </ol>
--	--	---

## **OBSERVATION OF THE COMMITTEE**

Eternal University has been established Under Himachal Pradesh University Act No. 3 of 2009 by the Kalgidhar Trust to impart Value Based Education in a total remote, rural and backward area in the Himalayan Region of Himachal Pradesh.

The University has 78 faculty members in Engg., Nursing, Art-Sciences and Music with adequate accommodation, classrooms, inbuilt facilities like Solar Heater, Dairy, Farming, Bakery etc. The University is situated in a hilly not well connected road services area, where it is proving the needs to the full residential campus.

The University has a permanent Vice Chancellor, Registrar, Chief Finance Officer, Controller of Examination and Deans of different schools.

The University has a well constituted Board of Governors, Governing Body, Planning and Board and Finance Committee.

The University has designed its own curriculum structure, teaching learning evaluation system and faculty development programs.

The University admits students through entrance test conducted on national level for Undergraduate and Postgraduate studies. For doctoral and post doctoral students have takes the students who have qualified from all India level.

The students of Akal College of Divine Music specialize in string instruments and their performance is telecast live on MH1 in the early morning everyday (3:00 am to 6:00 am).

There is 180 bed multispecialty hospital which caters to free health services for the in-house, poor residents of this hill state. Five multispecialty medical cum surgical camps are organized by International and National medical faculty of repute.

The University has its own Auditorium, Playground, Basketball, Hockey, Cricket, Lawn Tennis, Football, Athletic Track (100 x 80 mtr.) and Indoor Gyms.

A special attraction of the University is interfaith hall, where students from all religious background meditate on divine name.

## **SUGGESTIONS BY THE EXPERT COMMITTEE**

1. In item 7 of the proforma ten Undergraduate and Post Graduate courses have been listed. However only the courses 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> & 8<sup>th</sup> are presently being taught. This fact should be clearly mentioned by the University and the University should outline as to when the teaching of the remaining courses will get commenced.
2. The constitution of the Academic Council be made in accordance with the statutes and ordinances of the Eternal University. For getting diverse and broad inputs from faculties of Apex National Institutions of the country, this numbers needs to be increased. The University is therefore advised to increase the number of external members in the above committees.
3. In item 16 of the proforma instead of Akal School of Postgraduate Studies and Akal College of Art and Sciences, only Akal College of Art and Sciences should be retained. This is so since the building on the area 1930 sq mt. belongs to a singular college.
4. B.Sc. Economics programme of the University should be renamed as B.A: Economics.
5. University has Science & Technology programmes such as B.Tech and M.Tech as well as basic Science P.G. courses in Physics & Chemistry and research programmes, the University is advised to foster industrial collaboration in their research programmes with various industries/research labs etc. This may in the long run help the University in attracting significant resources.
6. The University proposes to increase the number of the girl students and is planning to give preference to girl students in the future. The University had not started as an institution only for education of girl students. In light of this, the University is advised to incorporate suitable amendments if so required so that the admitting the only girl students may not create legal/administrative difficulty.
7. Even though the University has reasonably adequate equipments for their Post graduate basic Science laboratories like Physics and Chemistry, these laboratories need strengthening through procurement installation of state of art equipment. This will help the students to acquire competitive competence in these courses with other frontline Universities of the country.
8. In order to provide feedback to faculty members regarding the effectiveness of their teaching and to explore ways to improve this, it is essential to have assessment of teachers by the students as 'Teacher Evaluation System'. Therefore it is advised that the feedback/assessment proforma be prepared and the students be asked to fill this proforma and submit this to Registrar at the end of every semester. The feedback should be given to the concerned teachers so that they can improve their teaching.

## **RECOMMENDATION OF THE COMMITTEE**

In view of the above facts and observations, discussion with the students, faculties and staffs of the University, the expert committee is of the opinion that Eternal University, Baru Sahib by The Kalgidhar Trust established Under Himachal Pradesh University Act No. 3 of 2009 is a suitable case for recognition as it meets the criteria outlined in the UGC regulations 2003 and therefore the committee recommends that recognition of this University by UGC be granted.
