INTRODUCTION

Jiwaji University was established as a teaching and affiliating University on 23rd May, 1964, by Government of Madhya Pradesh by issuing Ordinance no.15 of 1963, Dr.Sarwapalli Radhakrishnan, the then President of India, laid down the foundation stone of the University Campus on December, 11, 1964. The Campus finally came up at the famous Nao-Lakha parade ground after a generous allocation of 248 acres of land by the M.P. State Government. Over a period of years, the University has earned a location advantage. The place of its location is now recognized as the centre of the city, thereby making it easily accessible from all parts of the city. Right from its inception, Jiwaji University started with a status of a residential and an affiliating University. The territorial jurisdiction of the affiliation initially extended to six districts of Gwalior and Chambal Division, viz., Gwalior, Morena, Bhind, Guna, Shivpuri and Datia. With the formation of two new districts viz., Ashok Nagar and Sheopur, the number of districts under jurisdiction has risen to eight. The University had a total of 216 affiliated colleges. This calls for aligning and sprucing up of various structures at the university level to withstand the expansion in order to ensure that a healthy system of education is fostered in the jurisdiction.

6. **NUMBER OF FACULTIES** : 14 (including six faculties of Medicine, Ayurveda, Education, Engineering, Law, Technology are covering the Science & Financing Programmes)
