Achievements of the University during the X Plan

The University had a steady and all round growth during the X Plan Period. The grants received from the UGC were fully utilized by the University and the University provided substantial additional fund from its own resources on source of the items, which is commendable.

The University has received 22 additional teaching posts during X Plan period. Almost all the posts have been filled. A surplus amount of Rs. 87.00 lakhs were re-appropriated from staff item to Building Construction due to delay in receiving the sanction for the teacher's post both from UGC and the State Govt. UGC accordingly reappropriated Rs. 50.00 lakhs for a new Science Building and Rs. 37.00 lakhs for a Students Amenities Centre.

The University is running some post-graduate courses i.e. Bio-Medical Laboratory Science & Management, Aquaculture Management & Technology, Remote Sensing & Geographical Information System, Sociology, Sanskrit, M.B.A. and Mass Communication and Videography from their own resources with the demands from the students and expecting support from the UGC during XI Plan.
