CERTIFICATE COURSE IN FOOD PRODUCTION & BAKERY

Rationale:

In the present scenario of Globalization of industry and business, hotels and Restaurants are being established rapidly due to the increased travelling by professionals and general public. The demand for manpower has risen exponentially for the entry or junior level job positions in hotels, restaurant, catering and hospitality operations. This has created an urgent need for skilled workers in large numbers. Hence, students who have completed their 12th standard have a golden opportunity to undergo one year training in hotel operations so that they stand a very good chance of employment with appropriate salary.

Students who go in for regular courses of Arts, Science and Commerce are finding it difficult to get a job in the relevant fields after completing 10+2 level or even a Degree. The programme is aimed under Corporate Social Responsibility of Graphic Era University to provide access to quality and affordable education to the youth, particularly who cannot pursue their higher studies, a chance for employment will bring about prosperity to the region. Students are eligible to seek admission in this programme after passing 10+2 examination and once selected, they can shape up their career in various fields like – Five Star Hotels, Multi-cuisine Restaurants, Resorts, Tourism, Cruise Lines and Airlines etc.
