**Considered and as adopted by the Commission in its meeting held on

UNIVERSITY GRANTS COMMISSION  
BAHADUR SHAH ZAFAR MAG  
NEW DELHI - 110002

Yash Pal  
CHAIRMAN

November 12, 1988

DO.No. F.1-4/87(PS CELL)

Dear Vice-Chancellor/Principal,

In discussion following the enunciation of the National Education Policy 1986, and revision of teachers' pay-scale, it was announced that a system of Performance Appraisal of College and University teachers would be evolved in discussion with teachers' organisations. The stipulation was that the system should be open, participatory and data-based.

The Commission, therefore, set up a task force, with participation of AIFUCTO (All India Federation of University and College Teachers' Organisations), for this purpose. The guidelines based on the report of this task force prepared after a number of meetings were considered and adopted by the Commission in its meeting on 4th November 1988; these are sent herewith for your perusal and adoption.

With regards,

Yours sincerely,  
(Yash Pal)

## **Report of the Task Force On Performance Appraisal of Teachers 1998**

UNIVERSITY GRANTS COMMISSION  
BAHADUR SHAH ZAFAR MAG  
NEW DELHI – 110002

The National Policy on Education, 1986 envisages the development of a system of appraisal of performance of teachers which is open participatory and data-based. The Mehrotra Committee Report on revision of pay scales of teachers in Universities and Colleges has emphasized the need for developing a satisfactory system of evaluation of teachers which will help their career development by securing feed back for self improvement.

Keeping the above recommendations in view, the UGC appointed a Task Force to prepare guidelines for introducing a system of performance appraisal of teachers in Universities and colleges. The list of the members of the Task Force is given in Appendix I.

The Task Force held four meetings in August, 1987, March, April and September, 1988. After very careful and detailed deliberations on all issues, the Task Force developed a system of evaluation of the performance of teachers. The Task Force has also designed formats for the guidance of the institutions in this regard. The formats designed by the Task Force are presented in Appendices II & III. The Task Force recognises that at present no systematic evaluation of performance of teachers is in vogue in a large number of institutions. It is, therefore, important that introduction of a system of evaluation would need the involvement of the teacher community and the institutions.

In this context, the Task Force appreciates the efforts made by the AIFUCTO in organising regional seminars to evolve appropriate methods of performance evaluation of teachers. The Task Force hopes that similar initiatives will be taken by universities, colleges and other organisations. The Task Force recognises that after some experience is gained, it would be possible to improve the methodology.

The Task Force is of the view that the record of evaluation made by the teachers and verified by the Institutions will be an open document which should be the basis for recognition of excellence in performance as well as for further improving the overall efficiency of the system.
