ITEM NO.2: To prove the Agreement signed on the 26th February, 2008 between Ed.Cil & UGC regarding New Building Complex at JNU Campus.

The Chairman informed the members of the Commission, that in the light of the observations/recommendations made by the PAC, a revised agreement has been signed between the UGC and the Ed.CIL on 26th February, 2008.

In reference to point No.4, an issue arose as to whether UGC would require the approval by the Ministry of Human Resource Development and the Ministry of Finance and consequently an issue of the Autonomy of the UGC also came up for extensive discussion of the members of the Commission. The aforesaid issue was discussed by the members of the Commission at length in the light of the provisions of the University Grants Commission Act,1956 and particularly in the light of the provisions made in section 12, 12[b], 12[c], 12[cc],
12[j] and 16[3] of the University grants Commission Act, 1956, the legal advice and the following observations [which is the reply of the Ministry of Human Resource Development to question No.4] recorded in minutes of the meeting of the Public Accounts Committee dated 30th July, 2007: -

“Under section 16[3] of the UGC Act dealing with the fund of the Commission, the Commission may spend such sums, as it may think fit for performing it’s sanctions under the Act and such sums shall be treated as expenditure payable out of the funds of the Commission. Further, in section 12 dealing with the “Functions of the Commission” clause [j] empowers the Commission to perform such other functions as may be deemed necessary by the Commission as may be incidentally or conducive to the discharge of it’s general duty for the promotion and coordination of the University Education. Therefore, section 16[3] read with section 12[j] implies that for the plan of construction of the proposed campus of the UGC, being conducive to the discharge of it’s functions, the Commission was well within it’s power to use it’s fund for the said purpose.”

In the light of the aforesaid, after discussion the above matters at length, the members of the Commission unanimously resolved that UGC being an Statutory Body established and governed under the University Grants Commission Act, 1956, has complete autonomy to perform it’s functions as prescribed under the UGC Act, 1956. the UGC is empowered to perform all such other functions as may be deemed necessary by the Commission for advancing the cause of Higher Education in India or as may be incidental or conducive to the discharge of it’s other functions as provided in section of the UGC Act, 1956. The Commission, therefore, further emphasized and unanimously resolved that no financial and Administrative approval of the Ministry of Human Resource Development and the Ministry of Finance is required.

After extensive deliberations, the Commission further unanimously resolved to approve the following: -

1. Agreement between Ed.Cil. and UGC.

2. Creation of Project Monitoring Cell and assign Director (Admn.) as Project Co-ordinating Officer.

3. Approval of the escalation cost from Rs.6811.00 lacs to the present value based of prevailing scheduled rates which shall be submitted by Ed.Cil.

ITEM NO.3 To approve the Draft Agreement submitted by the TCS and finalized by the Negotiation Committee and for introduction of e-governance in the office of University Grants Commission, its ROs and linking the Universities, colleges and other institutions of Higher Educations with UGC.
The Draft Agreement between UGC and M/s. TCS as finalized by the Negotiation Committee at the meeting held on February 29, 2008 was considered by the Commission Members and the Commission unanimously resolved to approve the same.
