Sub:- Regarding counting of past service rendered by lecturer as Research Associate for the purpose of grant of Lecturer (Senior Scale)

Sir/Madam,

In reference to a clarification sought by the Registrar, Jamia Millia Islamia regarding the above subject, the matter has been examined.

In this connection, with the approval of competent authority, I am directed to clarify that the services of those Research Associates, who have been appointed through a duly constituted selection committee and have performed academic duties corresponding to lecturer, may be counted for the purpose of promotion as lecturer (senior scale).

Thanking you,

Yours faithfully,

of

B.K. Singh
