The whole team visited the Central facilities namely, library, computer centre, administrative block and museum in the existing campus of the university.

The new campus having 100 acres area is under construction for which the land was allotted during 2003 and the UGC provided grant during X plan period for construction of building for the School of Fine Arts and partial grant for construction of Administrative Block building. These buildings are likely to be completed soon.

The Committee noted that major development of campus development in the new campus has yet to take place. Partial portion of boundary wall has been constructed. There is no pacca approach roads, street lights and other facilities in the campus except a boys hostel.
