D.O.No.F.9-6/2008 (XI Plan)

Dear Prof.(Mrs.) P. Kusuma Kumari

This is in continuation of the visit of the UGC Visiting Committee to consider the XI Plan General Development Grant Allocation to your University.

- Based on the Report submitted by the XI Plan UGC Visiting Committee and availability of funds from the Government of India, UGC has approved the tentative XI Plan Allocation, subject to availability of funds from Government of India, in respect of your University as under:

(Rs. in Lakhs)

i) General Development Grant	875.00
ii) Merged Schemes	417.20
iii) Internal Quality assurance cell	5.00

- The 'on account' grant already under the above schemes released by UGC during XI Plan Period will be a part of XI Plan Allocation of the university. Further, funds for Merged Schemes is based on the eligibility criteria indicated in the XI Plan Guidelines. Therefore, the grant for each of the merged scheme will be released subject to the fulfillment of the eligibility criteria and other related norms as laid down for the purpose.
- A new scheme called Internal Quality Assurance Cell has also been included in the merged schemes and an additional amount of Rs.5.00 lakhs has been allocated to each State University. The Guidelines of this Scheme may be seen on UGC website [www.ugc.ac.in](http://www.ugc.ac.in)
- The XI Plan Allocation is subject to compliance of the Academic Reforms as already circulated by the UGC vide its D.O.No.F.1-2/2008 (XI Plan) dated 30<sup>th</sup> March/21<sup>st</sup> April, 2009 which is also available on UGC website [www.ugc.ac.in](http://www.ugc.ac.in).
- In addition to above, the following Administrative Reforms may also be implemented:
  - Implementation of the Govt. of India Reservation Policy of SC/ST.
  - All Statutory posts should be filled up the appointment through Selection Committee as per the UGC Regulations.
  - All vacant Teaching Posts should be filled up expeditiously.
  - Annual Accounts, Annual Reports and Quality assessment Status Report should be submitted in time i.e. by 31<sup>st</sup> December of every year.
- The release of grant will also be linked to Academic and Administrative Reforms as well as compliance of various policies of Government of India rules.
- You are also requested to utilize proportionate grant on half yearly basis. Any portion which remain unutilized will be considered to be lapsed. UGC will also consider to

allocate the unutilized grant of the university to other universities which are better performing and are also following the various academic reforms as well as implementation of various policies of Government of India. Therefore, the University is advised to utilize the grant fully.

9. The amount recommended by the Visiting Committee for various merged schemes may be utilized as per guidelines of respective schemes available on UGC website. The anomaly if any as per pattern of assistance/guidelines may be brought to the notice of the Commission.
10. You are, therefore requested to re-work the priorities of university within the General Development Grant allocation as decided by the Commission and keeping in view the recommendation of the Visiting Committee. The revised proposal (item-wise and year-wise plan) in the prescribed format UGC (copy enclosed) may be sent within 15 days in duplicate along with the soft copy within the ceiling conveyed to University. After receipt of the item-wise allocation within the amount as decided by the Committee, the UGC will convey the final approval of XI Plan Allocation to the University.
11. A copy of the Report of the Visiting Committee is enclosed herewith for further necessary action at the University level.

With regards,

Yours sincerely,

(R.K. Chauhan)

12. **Please give a brief note on the achievements of the University during X Plan.**

The university is situated in one of the most backward and remote areas of the country and in particular, Andhra Pradesh. The area of the University is known for severe draught and it always faces shortage of water which in-turn adversely affects the agricultural productivity, drinking water and other related aspects. The University has not received sufficient grant from the State Government and, to some extent, from UGC. This has hampered normal academic growth. The University is catering mostly to the needs of the people of rural backward areas. There is an overwhelming chunk of SC, ST, OBC and poor students coming from rural agricultural background. Most of them are not in a position to pay the tuition fees even though it is perhaps the lowest, compared to the other Universities, in the state.

Despite constraints, the University seems to have done excellent performance in some of the Departments like Chemistry, Microbiology, Biochemistry, Zoology, Management, Commerce, Botany, Polymer Science, and History & Telugu Languages.

Biotechnology teaching in the University needs further look. Instead of being imparted on self financing basis by Engineering College & Self financing department of Biotechnology, it should be imparted in one regular Department and by regular teachers. A suitable lab need be built.

The Social Science Departments need improvement. The Departments of Economics, Sociology & Political Science should frame some common courses which should build students capacity for success in All India Competitive Exams, Corporative sector jobs, teaching & research jobs. Students of all Departments should be computer educated. The University should offer some capacity-building capsule courses (such as personality development, basics of Geography & Indian Geography, Landmarks of Indian History & constitutional development) which
