19 JUL 2015

Respected Sir/Madam,

The Government of India had set up the second Administrative Reforms Commission which submitted its eighth report. The Recommendations of the Administrative Reforms Commission 8th Report, titled 'Combating Terrorism-Protecting by Righteousness' is available on the website of the Department of Administrative Reforms and Public Grievance i.e darp.gov.in.

The eighth report on Combating Terrorism, Protecting by Righteousness deals with the menace of terrorism. The menace of terrorism is an unprecedented threat which requires extraordinary and multi-pronged action by all organs of government and society. One of the recommendations of the report contains that Media is a source for all channels of mass information and communication. Therefore media policy should include principles of self restraint. The Institutions imparting education in Mass Communication and Journalism need to be sensitized to avoid such elements which may advance the agenda of terrorism.

You are requested to kindly bring it to the notice of all your departments imparting Mass Communication and Journalism Education of the recommendations.

With regards,

Yours sincerely,

(Jaspal S. Sandhu)

To the Vice-Chancellors of all universities
