As you may be aware, the NCTE has now invited applications from University Departments as well as from the affiliated Colleges for running the Teacher Education Programmes. In order to ensure the quality improvement in Teacher Education Programme and also to meet the time frame, you are requested to immediately initiate the following necessary steps:

You may like to consult the NCTE which can provide you a list of experts and resource persons to facilitate the process of development of curricula.
2. Kindly issue the 'No Objection Certificate' on priority basis to the affiliating colleges, if found eligible, to enable them to submit the applications to the NCTE within the stipulated time frame.
3. In case, the Department of Education of your University intends to start a new programme, it may be advised to submit its application to the NCTE Regional Committee between 1<sup>st</sup> March to 31<sup>st</sup> May, 2015.
