As you may be aware, the UGC publishes the list of fake universities at the beginning of every academic session, while warning the students to refrain from taking admission in these universities. A list of 21 Fake Universities identified so far has also been uploaded on the UGC website i.e. www.ugc.ac.in.

These Fake Universities are working in contravention of UGC Act and are either using the word 'university' or are conferring degrees without having the status of university as per UGC Act with a purpose to defraud and cheat the students. The Secretary, Higher Education, MHRD has also sent a letter to you in this regard on 21st July, 2015 in which you were requested to get the matter investigated and take legal action as applicable.

We all need to join hands to close down these fake universities at the earliest for which the active support of the State Governments is requested. I would also like to inform you that in case of some of the fake universities the letters sent to the addressee are returned back with the comments that 'Addressee not found'. In such cases, the said fake universities may have either closed down or may have shifted their premises. This needs to be investigated by your Ministry/Department.

As the matter is serious and concerns our youth, an urgent action in this matter would be appreciated. I would request you to apprise us of the action taken so far in the matter.

Yours sincerely,

(Jaspal S. Sandhu)

The Chief Secretary of various States.
