Public Notice

The quality ensured delivery of education depends on the continuous knowledge up-gradation, capacity building and motivation of teachers for accepting challenges arising from exponential growth of new knowledge and fast growing trends of breaking barriers of subject specific teaching and research. UGC-Human Resource Development Centres facilitate effective systems to provide opportunities for professional and career development of teachers, necessary for quality education and research so that they are well equipped and motivated to accept new challenges emerging from growth of new knowledge, international competitiveness and changing requirements of learners, especially in the institutions of higher education.

Therefore, with an objective to enhance their motivation, skills and knowledge through systematic orientation in specific subjects, techniques and methodologies, and thereby inculcate in them the right kind of values that would in turn encourage them to take initiatives for innovative and creative work, the UGC-Human Resource Development Centres conduct especially designed Orientation Programmes of three weeks, Refresher Courses of two weeks duration and also Short term courses for eligible in-service teachers. The schedule of such programmes for 2019-20 to be conducted by the sixty six UGC-Human Resource Development Centres is hereby notified for information of all the stakeholders.
