XII PLAN GUIDELINES FOR UNIVERSITIES WITH POTENTIAL FOR EXCELLENCE (UPE)/UNIVERSITIES OF EXCELLENCE (UoE) SCHEME

1. PREAMBLE

Striving for excellence is a continuous process which involves all stakeholders i.e. the faculty, students and the administrators. Quest for excellence is also a process of nurturing and continuous building up of capacities and capabilities of the university to the highest level of standards in the world. This is a process of making the university sensitive to the emerging knowledge society by focusing on the changing requirements and expectations of students and stakeholders including institutions and work places where the graduates of the university will find opportunities of living, working and developing. The continuous efforts and quest for excellence of the university should finally lead it to the highest level of educational performance and become not only comparable to the leading universities in India and the world, but also serve as a benchmark for others.

Any university applying for the status of Universities with Potential for Excellence (UPE)/Universities of Excellence (UoE) scheme may set higher achievement goals and strive for achieving them. In the process, the university has to analyze its processes on the basis of some parameters and indicators - measurable as well as non-measurable - and improve the processes so as to achieve better results.

As a part of this effort, the UGC during the IX, X and XI Plan periods adopted a strategy to identify a few universities which had the potential to achieve excellence in teaching and research activities. This initiative is being continued during the XII Plan period in order to identify a few more universities which have the potential to achieve excellence not only in teaching and research but also in all related functions that could contribute to a holistic development of the university.

Higher education in 21st century faces new global challenges worldwide, including in India. The context of knowledge has changed because of the dynamics of interrelated and interdependence phenomena in real world. The rise of inter-connected networks of knowledge facilitated by the new technologies has created huge wealth of knowledge. However, no single discipline will be able to generate adequate and complete knowledge about the inter-related phenomena and provide solution to the complex problems of the real world.

Therefore, UGC intends to identify some universities, from among the UPEs, which have already achieved excellence and innovation in teaching and research to a considerable extent and completed first/second phase under the Scheme and designate them as University of Excellence (UoE). The UoEs, in addition to striving to attain the broad objectives given below, will focus on inter-disciplinary innovative teaching and research and innovative programmes. These have to be real ‘centres of knowledge creations’ in addition to being ‘centres of knowledge dissemination’. During the XII Plan, 03 such universities will be identified as UoEs.
2. OBJECTIVES OF THE SCHEME

The main objective of the Scheme is to identify such universities which have made reasonable improvement in teaching and research activities and with sufficient funds being available to augment the infrastructure, can achieve excellence in their activities. The Scheme intends to make such Indian universities comparable to the world class universities by enabling them to adapt to modern methods of teaching and learning, developing learner-friendly lecture materials, changing their evaluation methods and striving for excellence, to sustain themselves in this competitive world.

The broad objectives of the Scheme are summarised below:

(i) To achieve excellence in education, training, research and governance to face the challenges of future;
(ii) To strengthen the academic and physical infrastructure for achieving excellence and innovation in teaching, learning, research and outreach programmes;
(iii) To enhance the quality of the learning process and teaching at the undergraduate and postgraduate levels with the help of a flexible credit based modular system and a whole range of innovations currently accepted across the world;
(iv) To promote academic programmes relevant to the social and economic needs of the nation in general and the region in particular;
(v) To promote networking with other Centres/departments and laboratories in the country;
(vi) To undertake any activity that may lead to excellence in all the domains listed above.

3. TARGET GROUP

During the IX Plan period, 5 universities were selected under the Scheme, viz., J.N.U., Hyderabad University, Jadavpur University, Pune University and Madras University while during the X Plan period, against the target of 5 universities, only 4 universities were selected viz., Mumbai University, NEHU, Madurai Kamaraj University and Calcutta University. During the XI Plan Period, 6 more universities have been selected. These are Osmania University, Mysore University, Karnataka University, GND University, BHU and the University of Rajasthan.

During the XII Plan period, 10 more universities will be selected as UPE. Also 3 such of the universities which have completed/are completing first/second phase of UPE will be considered for upgradation to UoE status during the second/third phase of the Scheme.

All State Universities and Central Universities which receive General Development Assistance from UGC will be eligible for being considered under the “Universities with Potential for Excellence” (UPE) Scheme.

4. ELIGIBILITY FOR APPLYING UNDER THE SCHEME

The university aspiring for UPE/UoE Status from UGC should have:-

(i) accreditation by NAAC with Grade “A”,
(ii) well established and regularly functioning IQAC and
(iii) evidence of regular high level research activities, quest of excellence, university-industry collaboration and community outreach
5. NATURE OF ASSISTANCE AVAILABLE UNDER THE SCHEME

(a) Quantum of Assistance

(i) The upper ceiling of financial assistance under the Scheme is Rs.75.00 crore in the case of UPE status during a phase of the scheme. However, ceiling of assistance will be Rs. 150 crore if the university is conferred ‘University of Excellence’ (UoE) status.

(ii) 50% of the total allocation will be spent on one or two focused area(s) identified by the university and recommended by the Standing Committee and remaining 50% of the amount will be spent on holistic development of the university.

(b) Purpose of Assistance

Assistance under the Scheme will be provided mainly to enable the university to achieve excellence as per the objectives of the Scheme. However, the following aspects will also be taken into account while using the UGC assistance:

(i) Strengthening of focussed areas in which the university has already shown excellence.

(ii) Promoting collaborative research projects cutting across the disciplines in the focused area(s). No individual projects will be awarded to any faculty member under the Scheme.

(iii) Encouraging the departments not covered under the focused area(s) to undertake collaborative research project(s) under the holistic development. In addition to the above, universities may spend the balance amount (available after spending on i, ii and iii above) on academic and physical infrastructure, books and journals, equipments, participation of teachers in academic conferences held within India or abroad, etc.

(iv) Universities may re-appropriate grant to the tune of 5% of the total allocation after approval of the Advisory Committee. In no case, re-appropriation will be made for more than 5% of the total allocation.

6. TENURE

A university will enjoy the status under the Scheme for a maximum of three phases. The tenure of one phase of the Scheme will be for a period of five years which will be counted from the date of communication of award of UPE/UoE status and may be extended, on the request of the university with sufficient reasons, by maximum of one year without any additional assistance.

7. INVITING APPLICATIONS UNDER THE SCHEME

Applications under the Scheme will be invited through UGC notification and announcements on the UGC Website www.ugc.ac.in.
8. COMPOSITION AND FUNCTIONS OF VARIOUS COMMITTEES

(A) Standing Committee

A Standing Committee constituted by the Chairman, UGC, consisting of the following members, would recommend suitable names of universities to the Commission for the award of UPE/UoE status under the Scheme:

<table>
<thead>
<tr>
<th>Vice-Chairman, UGC</th>
<th>Chairperson of the Committee</th>
</tr>
</thead>
<tbody>
<tr>
<td>One Commission member</td>
<td>Member</td>
</tr>
<tr>
<td>Two eminent Vice Chancellors of the UPEs</td>
<td>Member</td>
</tr>
<tr>
<td>Two Academicians of repute (one from the Sciences and another from the Humanities or the Social Sciences)</td>
<td>Member</td>
</tr>
<tr>
<td>One person with technology background</td>
<td>Member</td>
</tr>
<tr>
<td>One eminent person connected with the National Laboratories</td>
<td>Member</td>
</tr>
<tr>
<td>One eminent person from industry</td>
<td>Member</td>
</tr>
<tr>
<td>One UGC Officer</td>
<td>Coordinating Officer</td>
</tr>
</tbody>
</table>

The Standing Committee will look into and frame the policy, procedures and other aspects of the Scheme. It will also undertake the following activities:

(a) to prepare a scoring scale for shortlisting the proposals received under the Scheme.

(b) to finalize Action Plan (on Focused Areas and Holistic Development of the University) and Budget, in consultation with university representative. This may be done by the Visiting Expert Committee wherever applicable.

(c) to score the proposals received in ANNEXURE-I and analyze the data and shortlist the proposals.

(d) to prepare a proforma for the Annual Report to be submitted by the selected universities.

If deemed fit, the Standing Committee may constitute a Sub-Committee of its members and may also co-opt external experts for the above purpose.

The Vice Chancellors of the shortlisted universities will be invited to give Power-Point presentation before the UPE Standing Committee in the UGC which will recommend universities for consideration of the Commission as UPE/UoE. If the Standing Committee feels after presentations, the shortlisted universities may be visited by the Expert Committee which will have discussions with all the stake-holders in the university and submit its recommendations for consideration of the Standing Committee.
(B) Mid-Term Review Committee

There will be a Mid-Term Review Committee, constituted by the Chairperson, UGC, to assess the progress of the university under the Scheme. The university will be invited to make a presentation before the Committee at the UGC Headquarters after two years of implementation of UPE/UoE status. The Committee will submit a Report in respect of each university. The Report of all the universities will be placed before the Standing Committee and subsequently before the Commission for continuation/discontinuation, as the case may be.

(C) Final Review Committee:

In the last year of the UPE/UoE phase, a Review Committee, constituted by the Chairperson, UGC, shall visit each of the universities selected under the Scheme to review the performance and achievements of the university in the light of the objectives of the Scheme. This Committee will also recommend next phase of UPE/UoE to the university concerned for consideration of the Standing Committee under the Scheme. However, any university will enjoy the status of UPE/UoE for a maximum of three phases under the Scheme.

(D) Advisory Committee

There shall be an Advisory Committee for each of the UPE universities which will advise them on effective implementation of the Scheme in the light of its objectives. The composition of the Advisory Committee may be as follows:-

<table>
<thead>
<tr>
<th>Vice Chancellor of the UPE University</th>
<th>Chairperson</th>
</tr>
</thead>
<tbody>
<tr>
<td>Two experts to be nominated by the Chairperson, UGC (taking into account the focused area and research undertaken under the holistic development)</td>
<td>Member</td>
</tr>
<tr>
<td>Coordinators of the various Research Programmes.</td>
<td>Member</td>
</tr>
<tr>
<td>UPE Chief Coordinator designated by Vice-Chancellor</td>
<td>Member Secretary</td>
</tr>
</tbody>
</table>

The Advisory Committee will meet at least twice a year. The minutes of the meetings of the Advisory Committees will be placed before the Mid-Term Review Committee and later on, before the Final Review Committee.

9. PROCEDURE FOR SELECTION UNDER THE SCHEME

The selection of a university under the UPE/UoE Scheme will be done as per the steps given below:

Step No. 9.1

Application for conferment of the UPE/UoE status will be submitted by the interested universities fulfilling the eligibility requirements in the prescribed format given in ANNEXURE-I to these Guidelines.
Step No. 9.2

The Standing Committee will score the proposals as per Annexure-I on the basis of the parameters set for the purpose.

Step No. 9.3

Based on scores obtained by the universities, the Standing Committee will shortlist the universities for further evaluation.

Step No. 9.4

The Vice Chancellors of the shortlisted universities will be invited to give Power-Point Presentation before the UPE Standing Committee in the UGC which will recommend universities for consideration of the Commission as UPE/UoE. If the Standing Committee feels after presentations, the shortlisted universities will be visited by the Expert Committee which will have discussions with all the stake-holders in the university and submit its recommendations which will be considered by the Standing Committee.

Step No. 9.5

The Standing Committee will consider the Report of the Visiting Expert Committee and make recommendations for consideration of the Commission regarding selection of universities for conferment of the UPE/UoE status or otherwise, as the case may be.

10. PROCEDURE FOR RELEASE OF GRANTS UNDER THE SCHEME

The UGC will release 100% Non-recurring grant and 20% Recurring grant of the total allocation in the beginning itself. Thereafter, 20% of the Recurring grant will be released on annual basis subject to the receipt of the UC of the previous instalment of the Recurring grant. However, the release of Recurring grant will be subject to a satisfactory report of the mid-term review of the university as and when held. The Non-recurring grant should be utilized within a period of 18 months from the release of grants and UC should be submitted to this effect.

11. PROCEDURE FOR MONITORING THE PROGRESS OF IMPLEMENTATION OF THE SCHEME BY THE UNIVERSITY

Step 11.1

The University will submit an Annual Report of work done during the previous financial year in the prescribed proforma in ANNEXURE-II to the UGC by 31st May of every year.

Step 11.2

The progress of implementation of the Scheme by the university will be monitored by the Advisory Committee which will meet at least twice a year.

Step 11.3

A Mid-Term Review Committee will review and evaluate the implementation of the Scheme during the third year of the phase. If the Mid-Term Review Committee is not satisfied with the implementation of the Scheme, it will suggest measures and may also recommend dis-continuation of the scheme which will be considered by the Standing Committee and subsequently by the Commission.
Step 11.4

At the end of the phase, the University will be reviewed for a summative evaluation by the Final Review Committee. The Final Review Committee will also recommend the continuation/discontinuation of the Scheme for the next phase i.e. UPE or UoE as the case may be. The recommendations of the Expert Committee will be considered by the Standing Committee and subsequently by the Commission for a final decision.

12. WITHDRAWAL OF THE UPE/UoE STATUS

12.1 If, as a result of the mid-term monitoring or final review, the Commission is satisfied that the university has not effectively implemented the Scheme and produced results as per the objectives of the Scheme, it may withdraw the status from the university.

12.2 If the University does not apply for re-accreditation before expiry of the previous cycle of the accreditation or, as a result of accreditation, gets any grade less than A, the UPE/UoE status will be withdrawn.

12.3 Once the UPE/UoE status of a university is revoked due to any reason, it will not be revived. If the university aspires for the UPE/UoE status again, its case will be considered afresh as per the guidelines in force at that time.

12.4 The UPE/UoE status will also be revoked if the information and data supplied by the university to claim the UPE/UoE status is subsequently found to be incorrect. In such a case, the university shall have to refund the entire amount released to it under the Scheme with penal interest.

12.5 The UPE/UoE status will also be revoked in case of misappropriation and misuse of funds. In such a case, the university will have not only to refund the entire amount released to it under the scheme to UGC with penal interest, but also face other appropriate action(s) which may be taken by the UGC. The university will also be blacklisted and will not be allowed to participate in any scheme of the UGC.
