To,
Shri. D. P. Singh
Hon'ble Chairman,
UGC, New Delhi.

**Subject : Request for the participation from Universities across India in
"Resurgent India Yuva Conclave-2019"**

Respected sir,

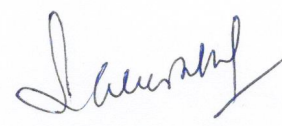

Resurgent India Yuva Conclave- 2019 is organised by Indian Institute of Technology, Delhi in a collaboration with National Yuva Cooperative Society (NYCS) Ltd. on 15th February, 2019 in **Seminar Hall, at IIT Delhi Hauz Khas Campus**. With NITI Aayog, AICTE, STPI, EDII, CII as our partners in the conclave, we strive to bring together stakeholders from Central and State governments & their PSU's, Corporates, Social organisations, Educational institutions, Cooperatives etc. to discuss challenges in youth growth and employment with a reflection on a policy plan of economic inclusion of youth from rural/semi-urban areas.

India will be seen as the youngest country in the world by 2020. Resurgent India Yuva Conclave-2019 is organised under the theme of "SakshamYuva- Samarth Bharat" with a holistic view to provide a discussion platform initiating a framework for generating employment opportunities in the rural and semi-urban areas. The main agenda of the conclave include education and skill development with an emphasis on entrepreneurship and opportunities in rural & aspirational districts of Bharat. The agenda also include important farsighted issues like women empowerment and social responsibility of youth.

500 participants from 29 states of India from corporate, government, youth organisations, media, cooperatives, civil society with enthusiasm for constructive solutions in youth empowerment would participate in the conference. They would be exposed to latest ideas of the issues which would help them to acts as change agents in their communities.

We request you to kindly write to different universities to send their respective representatives/students in this conference.

Thanking you in advance.
