D.O.No.F.1-1/2014(Secy)

5th November, 2014

Dear Sir/Madam,

The 17th November is observed as International Students' Day. It is an occasion for students to deliberate on issues which concern them and their country. It is an occasion to share new ideas and to suggest new ways of moving forward.

In the spirit of the International Students' Day, I would request you to organize a discussion of the students on "**Shikshit Bharat, Saksham Bharat**" – **Quality Education for All** on that day. I would request faculty members to coordinate discussions of new ideas on quality education and send us the deliberations and suggestions so that they could be acted upon in the course of evolving a new education policy.

It is also proposed to select the best recommendations and suggestions on the subject and to invite one student leader from some selected universities to Delhi to interact with the Hon'ble Minister of Human Resource Development and to attend Session of Parliament when the subject of education is being discussed.

Education is the most powerful tool for advancement of the nation and most potent weapon to fight poverty. It is for this reason that we deem it fit to learn from the students on what will make our system better to achieve "Shikshit Bharat, Saksham Bharat".

With kind regards,

Yours sincerely,

(Jaspal S. Sandhu)

To the Vice-Chancellor of all Universities.
