D.O.No.F.1-14/2015(CPP-II)

29th September, 2015

Dear Sir/Madam,

The significance of university-industry interactions has become an important agenda of higher education on policy-making front at both national and institutional levels. There are many areas of collaboration between universities and industries which are mutually beneficial. Participation of expertise available in the Faculty of the universities in offering consultancy services to industries and assisting their R&D activities and participation of industries in placements and internships of students of universities and in their skill development and employability are cases in point. Considering the importance of the issue, the University Grants Commission has framed Guidelines for the Scheme of Establishing University-Industry Inter-linkage Centres (UIL Centres) in the universities. The Guidelines have been approved by the Commission in its meeting held on 27.07.2015. These Guidelines are also available on the UGC website i.e. www.ugc.ac.in. You are requested to kindly ensure the compliance of these Guidelines by all the departments of your university as well as the colleges affiliated to your university.

With kind regards,

Yours sincerely,

(Jaspal S. Sandhu)

The Vice-Chancellors of all Universities.
