**D. O. No 14-24/2011 (CPP-II)**

**3<sup>rd</sup> November, 2014**

Dear Sir / Madam,

**14 NOV 2014**

As you are aware 28<sup>th</sup> of February is observed as National Science Day. The theme selected for the National Science Day 2015 is **"Science for Nation Building"**. National Science Day (NSD) offers an opportunity for focusing on a common issue and consolidates our actions. A letter received from the Ministry of Science and Technology is enclosed.

In order to observe National Science Day in a befitting manner on the theme "Science for Nation Building", the educational institutions in the country should celebrate the National Science Day in a big way by organizing activities like:

- 'Open Day' for the public, science exhibitions, popular science lectures, films and slide shows on scientific topics.
- Bringing out books special supplements in newspapers and dedicated programs in the electronic media. Any other activity incidental or relevant to the event.
- Seminars and symposia, special meetings and functions
- Competitions for students of colleges and universities
- Activities for the families of the scientists and other employees
- Creative involvement of officers and staff from administrative and finance wings of the institutions etc.

This may also be brought to the notice of the colleges affiliated to your University.

Yours sincerely,

**(Jaspal Singh Sandhu)**

**The Vice Chancellors of all universities**
