Dear Sir / Madam,

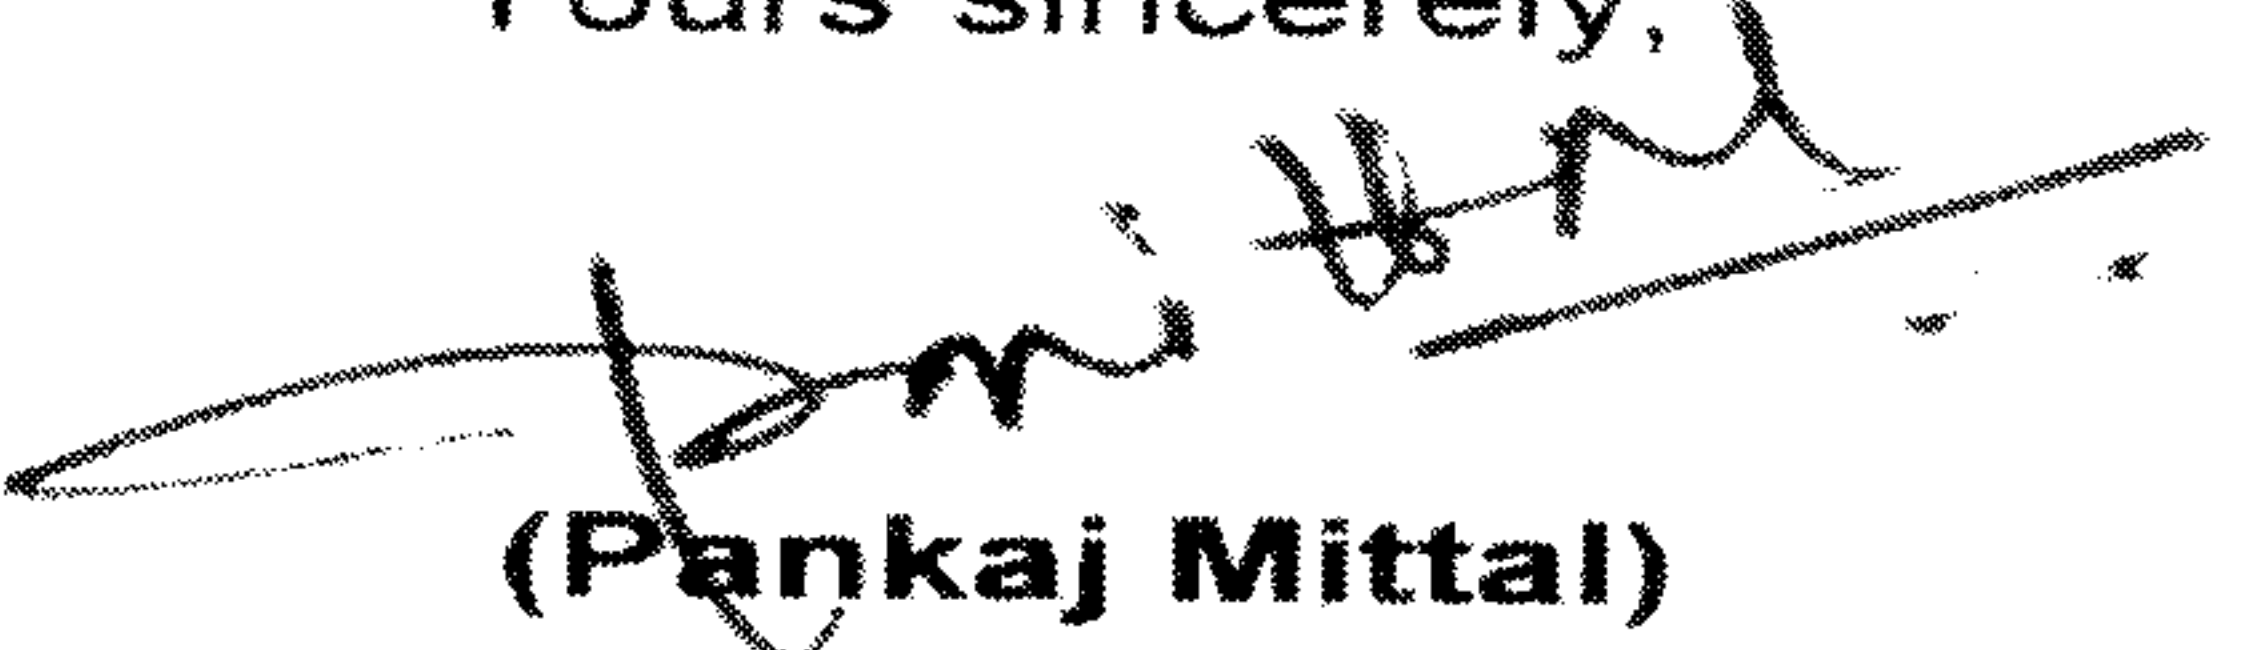

A communication has been received from the Ministry of Human Resource Development regarding reports and recommendations of the committee set up by Ministry of Home Affairs under the Chairmanship of Sh. M.P. Bezbaruah following the death of Mr. Nido Tania, a student from Arunachal Pradesh in January, 2014. One of the recommendations made by the committee in the report is regarding educating the people about the North East.

The UGC Academic Staff Colleges can play an effective role in implementing these recommendation by organizing special slots / sessions on understanding the Culture and Society of NER in the Orientation, Refresher and short-term courses offered by the ASCs. The resource person to conduct such sessions may be invited preferably from the Higher Educational Institutions in NER and should be someone who is well versed with socio-cultural life of North East. Emphasis should be on the socio-cultural diversity of India, especially in orientation programme which are for newly appointed teachers and prepare them psychologically, pedagogically and technologically.

You are requested to take urgent steps in this regard under intimation to the undersigned.

With regards,

Yours sincerely,

  
(Pankaj Mittal)
