D.O.No.F. 1-9/2006 (CPP-II)

27, August, 2013

Dear Sir/Madam,

You may be aware that the Government of India has come up with a National Policy on Narcotic Drugs and Psychotropic Substances (NDPS) with a view to prevent sale of drugs to both school and college children.

We have recently received a communication from the Ministry of HRD with a request to ensure the implementation of this policy. One of the actionable points contained in the Para 55 of the National Policy which ought to be implemented by all institutions of higher learning is given as under:

“Preventing sale of drugs to both school and college children”.

I write this to request you to put in place an effective mechanism to ensure strict adherence of the policy in all institutions of higher learning under your charge. Please do convey these instructions to all the colleges affiliated to your university and set up a mechanism to ensure strict compliance of the policy.

A line in confirmation of the action taken will be highly appreciated.

With regards,

Yours sincerely,

(Akhilesh Gupta)

To All Vice-Chancellors.
