Dear Sir / Madam,

The Hon'ble Prime Minister has emphasized on revival of handloom and improving earnings of the handloom weavers. Handloom fabric not only forms an integral part of our rich culture and heritage but also provides livelihood opportunity to lakhs of people living in the rural areas. Using ceremonial robes made out of handloom fabrics would not only give a sense of pride of being Indian but also be more comfortable in the hot and humid weather. Greater usage of handloom garments for apparel would promote the handloom industry in the country.

Accordingly, all the universities are requested to consider using handloom fabric for ceremonial dresses prescribed for special occasions like convocation etc. This may also be brought to the notice of the colleges affiliated to your university.

With kind regards,

Yours sincerely,

(Jaspal S. Sandhu)
