D.O. No. 1-14/2016(CPP-II)

September, 2018

Sir / Madam,

03 OCT 2018

UGC has designed curricular structure for bachelor-level degree program in Aircraft Maintenance as a way of encouraging universities to come forward and offer this program on their campuses under Choice-based Credit System (CBCS) introduced by UGC. The syllabus is available on the UGC website [www.ugc.ac.in](http://www.ugc.ac.in) for implementation by all the Higher Educational Institutes. However, the universities are requested to obtain the approval of the Directorate General of Civil Aviation (DGCA) before adopting the syllabi as DGCA is a statutory body responsible for laying down standards and regulations for air safety and airworthiness standards. It is mandatory for all the universities to display the certificate of approval on their websites for information and awareness of the students seeking enrolment in the course.

You are, therefore, requested to comply with the above and seek approval of the DGCA prior to adopting the course curriculum in your department and the affiliated colleges.

With regards,

Yours sincerely,

(Rajnish Jain)

The Vice Chancellors of all universities
