NEW DELHI-110 002**

SPEED POST

No.F.5-43/2013

July, 2013

The University Grants Commission has selected 126 teachers from Indian Colleges/Universities for the award of Raman Post Doctoral Fellowship in USA for the year 2013-14. Some of the awardees have also got project(s) under Major/Minor Research Project Scheme of UGC. It is informed that in the guidelines of Major/Minor Project of UGC it has been clearly mentioned that a teacher working or retired can have only one project/scheme of the UGC at any given time. Therefore, the awardees of Raman Post Doctoral Fellowship are advised to choose one facility only out of the two i.e. either Raman Post Doctoral Fellowship or Major/Minor Research Project.
