**Dear Sir/Madam,**

The University Grants Commission had constituted an Expert Committee to examine the possibility of giving suitable preference in admission to graduate courses in physiotherapy to those candidates having requisite expertise in Yoga. The following recommendations of the Expert Committee have been approved by the Commission and concurred by the Ministry of Human Resource Development, Government of India.

***"A candidate having at least one year diploma in Yoga may be given preference in admission, subject to the condition that marks secured in the entrance examination and other eligibility conditions are same to a candidate with similar credentials but not having said expertise in Yoga."***

You may wish to take note of the above recommendation during the admission process and also bring it to the notice of the colleges affiliated to your esteemed University.

With kind regards,

Yours sincerely,
