NOTICE

Sub: Submission of proposal for extension of B.Voc and Community College Programmes/courses run under the UGC NSQF Scheme

UGC invited proposals from those institutions which have been running courses under B.Voc and Community College programmes in order to consider extension of the courses being run under the said programmes. Deadline for submission of proposal was extended twice so as to facilitate the institutions. However, UGC is yet to receive proposals for extension of the skill-based courses from a good number of institutions. It may be needless to mention here that without due approval from UGC for extension of the courses, the institutions would not be able to claim any grant for running the courses. Hence, the competent authority at the UGC has decided to provide one more opportunity to those institutions which have not applied to UGC for extension of their skill-based courses under B.Voc and Community College programmes. The institutions are required to submit the proposal in the prescribed format positively by **6th September, 2018** to ccsection012@gmail.com. The application format is available on the UGC website, www.ugc.ac.in (along with the public notice uploaded on the UGC website on 18.06.2018).
