D.O. No. 14-28/2018(CPP-II)

February, 2019

Respected Sir / Madam,

19 FEB 2019

To address environmental problems such as Climate Change, air pollution, resource depletion, waste disposal etc. caused by activities relating to mass production and mass disposal, it is essential to reduce the environmental load and to shift to eco-friendly goods.

In a step towards this goal, HEIs are requested to promote procurement of recycled paper and avoid incorporating restrictive condition such as insisting on paper made of wood, bamboo or agro based pulps which are virgin pulp, in tenders for procurement of writing and printing paper.

You are requested to take appropriate action for compliance in the matter. This may also be brought to the notice of the colleges/institutions affiliated to your University.

With regards,

Yours sincerely,

(Rajnish Jain)

The Vice Chancellors of all universities
