D.O.No.14-2/2013 (CPP-II)

19th March, 2014

Dear Madam/Sir,

The Central Board of Secondary Education has introduced the CBSE-i international curriculum which is an internationally benchmarked global curriculum designed to be at par with other international curricula such as IB, IGCSE etc. The CBSE-i curriculum is an enquiry and skill-based curriculum that caters to an individual's learning style in terms of pedagogy and assessment. It seeks to address global needs as well as relate to local issues and culture. According to CBSE, the first batch of Grade XII students will graduate this year through the CBSE-i curriculum.

All universities are requested to create awareness about CBSE-i curriculum among their affiliated colleges and also convey relevant instructions to all the concerned stakeholders for recognition of this curriculum and its inclusion under the university recognition policy. This is necessary as students would be applying to universities abroad. Details regarding the CBSE-i curriculum are available on cbse-international.com. For any future enquiries in this regard, you are requested to consult the CBSE website and contact vineet.joshi@nic.in or chmn-cbse@nic.in.

With regards,

Yours sincerely,

(Shakeel Ahmad)

To
The Vice-Chancellors
of all universities
