Dear Sir/Madam,

The University Grants Commission believes that a safe and cohesive learning climate is an ineluctable precondition to quality education and research in Higher Educational Institutions (HEIs). It should be the prime concern of educational administrators across the country to ensure that students are safeguarded against attacks, threats and accidents, both man-made and natural. With this in mind, the University Grants Commission has formulated guidelines on the ways in which the campuses of HEIs can be transformed into oasis of safety, security and study. The "**Guidelines on Safety of Students on and off Campuses of Higher Educational Institutions**" have been uploaded on the UGC website (www.ugc.ac.in).

You are requested to kindly implement the UGC guidelines in your esteemed University in the best interest of students.

With kind regards,

Yours sincerely,

(Jaspal S. Sandhu)

The Vice-Chancellor of all Universities.
