22<sup>nd</sup> October, 2013

Dear Sir/Madam,

As you are aware the Government of India had decided to observe 11<sup>th</sup> of November, the birth day of Maulana Abdul Kalam Azad as National Education Day. Maulana Abul Kalam Azad was a great leader of our freedom struggle and was India's first Union Minister of Education who contributed immensely to the cause of education in India.

In order to pay befitting tribute to this great son of India, the educational institutions in the country should celebrate the National Education Day in a big way by organizing following activities:

- i. Organization of Essay writing competitions, debates, exhibitions on importance of Education.
- ii. Thematic Seminars, symposia, workshops and rallies with banners, cards and slogans on nation's commitment to all aspects of Education.
- iii. Any other activity incidental or relevant to the event.

The theme for this year's National Education Day is "Science & Society".

This may also be brought to the notice of all the colleges affiliated to your University.

Yours sincerely,

(Shakeel Ahmad)
