PUBLIC NOTICE

Quality Improvement Programme

UGC has initiated development of Learning Outcomes based Curriculum Framework (LOCF) at Undergraduate and Post graduate level. In this regard various subject specific committees have been constituted for developing templates of LOCF. The fundamental premise of LOCF is to specify what graduates completing a particular programme of study are expected to know, understand and be able to do at the end of their programme of study. This approach of learning makes the student an active learner; the teacher a good facilitator and together they lay the foundation for lifelong learning.

It has been decided to solicit the views / suggestions from all Higher Education Institutes (HEIs) including teachers, students, education personnel, eminent educationists and public at large on Learning Outcomes based Curriculum Framework (draft note) specially subject wise, on following themes:

Theme 1

- Objectives of Undergraduates & Postgraduate Education
- Generic graduate attributes
- Desired Learning Outcomes of a degree in Arts/ Science/ Commerce
- Proportion of Knowledge / Skills/ Soft Skills in Curriculum
- Curriculum and Employability

Theme 2

- Approach to Curriculum Planning for Arts/Science/Humanities UG/ PG programmes
- Changes required in existing Curricular Design and Approach
- Integration of work experience/field engagement/case studies internship with domain learning
- Flexibility in Curriculum Design process
- Learner-Centered Pedagogy
- Innovative Pedagogies

Theme 3

- Faculty orientation to learning outcome framework
- How to assess good teaching / transaction of Curriculum
- Assessment and Evaluation based on Learning Outcomes Approach

All concerned are, therefore, requested to send their views/suggestions in the enclosed format as per specific subject email id latest by **25th August, 2018.**

Prof. Rajnish Jain
Secretary

Note: The Universities, students, teachers and individuals are requested not to send their personal grievances.
